EH? NOT AN ANIME OR SOMETHING?

When you believe in your dreams, they sometimes come true.

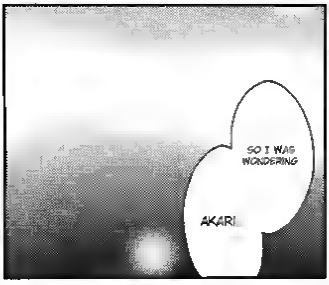
At the start of a new school year, Yui Ebisu finds herself in her first class, surrounded by unfamiliar faces. Yui is a fan of manga and eating candy in an amusement club with her old friends, Toshinou Kyouko and Funami Yui, as well as scrolling about her house with them. Now, what will happen this time?

Characters

Tsubomi Kyouko - A bit shy and bookworm girl. Occasionally becomes too energetic to get anything done

Akari Akari - A slightly airheaded girl. The youngest in the trio

Furumi Yui - A quiet girl who sees things at her own pace. Her comebacks are rather sharp.



...(sob).

Yoshinaga Chinatsu: A girl who mistakenly thought that she was Ceremony Chief (kind of a subtower).

Suetsuru Ayato: The student council vice president. Has a reputation for being a womanizer who stumps scores between main heroines. Or was it?

Ikeda Chinese: A member of the student council. Has an easygoing personality and adored Ayato.

The Story To Date

...at the start of a new semester, Kaoru Amane's middle school life in her easy-going, yuri-infused daily life, she lolls around doing things like reading manga and eating candy in an amusement club with her old friends, Toshinou Kyouko and Funami Yuu, as well as scrolling about her house with them. Now, what will happen this time?

Characters

Tomihisa Kyouko: A prude and boisterous girl. Especially sensitive to anything gore.

Akaza Akari: A slightly airheaded girl. The youngest in the trio.

Furan Yui: A quiet girl who enjoys things at her own pace. Her comebacks are rather sharp.

THAT'S PRACTICALLY THE SAME AS DECLARING "I'M AN OTAKU!"
In front of strangers!!
How mortifying!

Yoshinaga Chinatsu. A girl who mistakenly thought she was joining the tea ceremony club. Kind of a pushover.
